

Exterior Metallic Paint COLLECTION

Exterior Satin Finish

Superior Durability | No Clear Coat Required

The First Choice in Water-Base Metallic Paint

Exterior Metallic Paints are non-tarnishing, water-base, formulated with the same shimmering particles and ease of application as our Metallic Paint Collection. Available in 12 of the most popular metallic paint colors. For exterior use only. Brush, roller, or spray application. Available in quart and gallon sizes.

Metallic Paint Primer is an ideal primer and foundation color for Metallic Paints. This unique, interior/exterior acrylic primer promotes adhesion on smooth surfaces, dries fast and is immediately sandable when dry. The 2 colors, Cool and Warm Tones, are available in quart and gallon sizes.
